

## Beach House Delight!

The beach house is an amazing round house with breathtaking views of the blue waters of the Sea of Cortez. Remodeled and recently updated, freshly painted exterior. Gorgeous kitchen with cobalt blue tile counters, high end stainless steel appliances, custom cabinetry with multiple slide-outs, pantry, and slide-out spice rack. The main living space is very open with beautiful fireplace for romantic ambiance and loft for potential artist space or extra sleeping quarters. The dining area overlooks the Sea is situated right off of the kitchen. A spacious Bathroom, grand walk in shower, hand painted sink and a unique window design that brings dancing sunlight into the room. Detached garage houses solar equipment and enough room to store your beach toys or buggy. Great views and gated privacy fence. Too much to list!
