Description: This One of a kind single-story **2-bed, 2-bath home**, offers full ownership, double-lot home in the gated community seaside community of Playa de Oro.

This property offers ownership an existing Mexican Corporation. This allows for a faster and more affordable title transfer with the alternative to forming your own Fideicomiso.

Step inside to find a comfortable living room with a decorative fireplace, a separate dining area, and a fully equipped kitchen. Newer mini-split A/C and heating units ensure comfort in every room. Outdoor living is a dream, featuring an oversized covered front patio with beautiful Saltillo tile and a hand-painted fountain. You'll also enjoy the attached oversized two-car garage, a tiled rooftop deck, and a massive 600+ sq ft palapa pre-wired and plumbed for gas, water, and electricity. The grounds are beautifully maintained with mature, lush landscaping and an automatic irrigation system.
